

# iTEE Global Vision / Mission / Strategies

Staff Meeting Feb 13, 2023

# Planning Process

# Passion, Vision, Mission

- ▶ **Passion:** *Our passion is to make disciples who become disciple makers.*
- ▶ **Vision:** *World-wide self-sustaining training movements that biblically equip church leaders.*
- ▶ **Mission:** *Bringing relationally-driven biblical ministry education to church leaders lacking access to it.*

# Enduring Strategies: **Educational Development**

*We shall continually develop educational tools, including:*

- ▶ Methodologies
- ▶ Curriculum:
  - ▶ Development of programs
  - ▶ Course evaluation, selection, acquisition and/or development, and ongoing assessment
- ▶ Translation or addition of needed courses into languages required for our clients
- ▶ Accreditation

# Enduring Strategies: **Training Delivery**

*We shall continually deliver training, including:*

- ▶ Deliver curriculum to students, online and face-to-face, directly and through ministry partners
- ▶ Develop global trainers through training, monitoring, and mentoring
- ▶ Work with local ministry partners and train local / regional trainers
- ▶ Support multiple generations of students and trainers

# Enduring Strategies:

## Partnerships

*We shall continually develop ministry partnerships to deliver training, including:*

- ▶ Communication of iTEE objectives, approaches, and programs to potential ministry partners
- ▶ Identification, qualification, and agreement with potential ministry partners
- ▶ Ongoing partner relationship management
- ▶ Assist development of regional/national partner organizations

# Enduring Strategies:

## Technology

*We shall continually apply appropriate modern technology, including:*

- ▶ Implement and support educational technologies
- ▶ Provide resources to support training delivery
- ▶ Implement and support technologies to support the organizational needs of iTEE

# Enduring Strategies:

## Research

*We shall continually advance the Transformational Discipleship movement, including:*

- ▶ Engage with other interested parties
- ▶ Participate in studies and research projects
- ▶ Test application of new technologies
- ▶ Promote and inspire the development of TD concepts

# Enduring Strategies:

## **Administration**

*We shall continually develop organizational capacity, including:*

- ▶ Human resources
- ▶ Finances
- ▶ Legal support
- ▶ Communication
- ▶ Development

# Questions and Discussion

- ▶ What does this mean to you?
- ▶ What questions do you have about any of this?

# What comes next?

- ▶ Next staff meeting: 2023 Objectives

# Thank You!!!
